About

Bluebird Lane Merlin is an exceptional sport stallion, showcasing athleticism, refinement, and beauty along with eagerness to work and a sweet-heart temperament. He was bred by Lori Albrough of Bluebird Lane Fjords in Ontario who specializes in breeding Fjords that excel in the dressage ring without sacrificing breed character and a calm, willing disposition. Merlin is still young and developing, but shows tremendous movement, well balanced conformation and is a delight to train. His first offspring is showing the same type of movement, build, and temperament that we expect and can't wait for more babies to hit the ground. Merlin is well suited to anyone looking to add some refinement to their mare or to put some "sport" into their breeding program.
