About

Norik was imported from Ontario, he is the only intact son of Orka in the United States. His dam is a Mogly daughter. He has fabulous movement a beautiful head and conformation. His first filly has just been born March 2023. A very fancy beautiful first foal! He went to his first International Fjord Show as a 2 year old, won Halter and did a fantastic job in hand trail. This a very exceptional young stallion to watch! His second foal will be on the ground soon. April 2023.
