About

BDF Obelisk is an athletic, forward thinking, energetic stallion that passes on his tremendous work ethic and good movement. He moves in balance with very good suspension – especially for a Fjord Horse. He has demonstrated good work in Riding, Driving and Draft in all Introductory and Advanced tests in the NFHR Evaluation System, earning Gold and Silver Medallions of Quality, Level One. Five of his offspring also earned Medallions of Quality. Shown through 3rd Level dressage with high score of 68%, Obelisk has also demonstrated Piaffe and Passage in numerous exhibitions in which he has performed. If you are looking for that great work ethic from the Gjest line, trainability along with athletic ability and an engaging personality, Obelisk is a great choice. Available via live cover.
