About

YRF Trygve is a 9 year old beautiful, sweet, kind, loving and inquisitive stallion. He loves his Fjord ladies and treats them as the ladies they are. Trygve is an amazing father too. He loves to play and teach his babies all about how to be a wonderful Fjord. He is currently not broke to ride or drive, but soon he will be! He is a very quick learner and loves to learn new things. There are plans to compete in medieval joust tournaments, trail riding, English classes, working cattle and jumping. He is also looking forward to participating in parades and strutting his stuff. He resides on the Ohio/Indiana border and is open to outside mares for pasture breeding. Collection is possible if enough interest. He has been shown in halter classes this summer by a 15 year old 4-H member and the judges love him! He has beautiful conformation and excellent feet. 2019 Ohio Equine Affaire was a new experience for him, but he handled it like a veteran and loved his fans. Trygve loves his cookies and is very careful when taking his treats, especially from children, and pouts if he gets fed his grain last.
